Program

Friendship Corner Daycare offers a developmentally appropriate program for 30 months to kindergarten. A Montessori approach provides daily circle time, followed by hands-on learning choices in practical life, sensory skills, math, language, nature, and geography. In addition, the children are exposed to cooking, dancing, music, Mandarin and Japanese.

Our regular day includes:

- free play
- Montessori circle and hands-on learning
- healthy snacks
- time on the safe, new outdoor playground or gym
- lunch (brought from home)
- storytime
- art time
- rest time
